

## Zerorez<sup>®</sup> Commercial Keeps Commercial Spaces in Top Condition

### Local Established Cleaning Partner

Zerorez Commercial, based in Atlanta, GA, delivers professional carpet, tile, and air duct cleaning services to commercial facilities throughout the greater Atlanta metro and surrounding counties, including Fulton, Cobb, Gwinnett, DeKalb, Clayton, Henry, Cherokee, and Forsyth. The company supports operations across Georgia and the Southeast, serving clients in a wide range of sectors.

### Zerorez Process

The company uses Zr<sup>™</sup> Water, a patented cleaning solution that eliminates the need for soaps or harsh chemicals. It's safe for people, equipment, and indoor air quality while still powerful enough to clean deeply and dry fast. The result is a longer-lasting clean with no sticky residue, ideal for commercial spaces that see daily wear and high visibility.

### Multi-Story Projects

Specializing in large, high-traffic environments, Zerorez Commercial works with property and facility managers across school districts, multi-campus churches, office buildings, gyms, municipal complexes, and hospitality properties. Our commercial team understands the scheduling constraints and performance expectations of complex environments, and they deliver accordingly.

### Office Carpet Cleaning Experience

Locally managed and regionally responsive, Zerorez Commercial of Atlanta combines the flexibility of a dedicated Georgia-based team with the strength and reliability of a national network. With over 190,000 verified customer reviews and a 4.9-star Google rating across the Zerorez system, the company is a proven partner for facilities that demand cleaner, healthier interiors with minimal disruption.
